

DME version 3.6

Browser requirements

Installing DME

Created on 12-10-2011

Browser requirements

Browsers (to access the DME Web Administration Interface):

- Google Chrome version 11
- Safari version 5
- Firefox version 4

Other browsers may work, but are not officially supported.

Furthermore, some windows in the DME interface require a minimum screen resolution of **1280x1024** pixels.
